## WELCOME to the Canandaigua SKY CHIEFS

Organized in March 1987, the CHIEFS have a membership of over 50 persons whose experience in building and flying radio controlled (R/C) model airplanes ranges from *Certified Instructors* and *Pilots* to those who are just learning how to fly their 'trainer' planes.

Flying an airplane or helicopter while your feet are planted firmly on the ground is the ultimate goal of this hobby. Learning how to do that, and doing it, in a safe sensible way, at an airfield created exclusively for that purpose is what our club is all about. The wealth of knowledge and experience that is so generously shared among members makes being a member and participating in club events a privilege.

**The CHIEFS' Field**

It includes a 600ft. long by 150ft. wide landing strip, fenced prep areas, a small pavilion, tables and a portable toilet. There is ample room for parking, camping and RVs for Air Show visitors and guests. It is located on Gehan Road off Routes 5 & 20 on the *New York Steam Engine Association* property. Co-ordinates are 42.87 degrees North by 77.19 degrees West.

## 2010 CLUB EVENTS

**March - Auction - 3rd Saturday**  
(Canandaigua Middle School)

**June - Pattern Contest 1st Weekend**  
AMA Class 401 - 406  
(CHIEFS' Field)

**June- Annual Air Show - 2nd Weekend**  
(CHIEFS' Field)

**Sept.-Dick Parshall Memorial Float Fly**  
Weekend after Labor Day Weekend  
(Sandy Bottom Park, West Lake Road  
Honeoye, NY)

**AMA**

The Academy of Model Aeronautics is the chartering organization for more than 2500 model airplane clubs. Membership, (***required to fly at CHIEFS' field***), is \$58.00/year or \$15.00/year for students. Information is available at club meetings, events, local hobby shops or at [www.modelaircraft.org](http://www.modelaircraft.org)

## Membership

Attendance at two club meetings or events is a pre-requisite. A current AMA membership is required and there is a one-time \$50.00 initiation fee. Annual dues are \$50.00 for adults, \$20.00 for students.

*See Membership Application on other side.*

## Flight Training Program

A 9-lesson program under the direction of the club's *Proficiency Director* helps new members achieve *Pilot* status. They are:

1. General instructions  
(that start with field safety rules).
2. Students first flight.
3. Figure 8's.
4. Slow flights.
5. Mild aerobatics.
6. Low passes.
7. Taxi-ing.
8. Take-offs.
9. Landings.
