Publicity Director- Working on donations but slow at this time. Also thinking about a visitor package for auction attendees containing crud cutter and a Chiefs trifold. The VA is very appreciative for the AMA subscription. The finishing/covering session that was planned for January has been cancelled for various reasons. Jim Schwab has checked on the 25 year cake. \$42.99 at Tops or Wegmans or \$47.99 for Wegman's cream frosting.

Old business- Dan Eygabroad has the application for Sandy Bottom Park for the float fly. We will have both pavilions and the whole beach for this event. Cost \$50 for both Saturday and Sunday. A suggestion was made to put up signs at Sandy Bottom a week before our float fly, promoting the event.
